WGC Junior Director  
John Edney  
Monday 16<sup>th</sup> of February

Dear John

At the earliest opportunity would you please congratulate, on behalf of myself and the club's management committee, all the junior members of the club who played on Eagles Day, Sunday 15<sup>th</sup> February. The way they presented themselves in their club uniform, the way they played golf and their understanding of golf etiquette reflected positively on our club.

The Eagles Golfing Society was very impressed by the number of junior players who arrived to play on the day and of their respective abilities on the golf course.

I would like to thank you, Paul Pearson, members of your committee and parents who helped on the day, please pass this on to everybody. Well done WGC Juniors.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Ken Bishop".
